Bullseye League

Wilson Hill Pistol Club has an active Bullseye pistol league. Shot in our 6 point indoor range from mid October to April. This is a postal league in conjunction with the New Hampshire Pistol League where many clubs in the state compete against each other. Check our web site or contact the club Executive officer for info and times. We are always looking for new shooters!

What is Bullseye Pistol?

Also known as NRA conventional pistol, Bullseye is a challenging sport of precision marksmanship. A shooter fires 10 shots onto each of 3 targets in stages of slow, timed and rapid fire. Pistols are fired one handed at a range of 50 feet. Our indoor Bullseye league is 22 caliber only. Both semi automatic or revolvers can be used. If you are new to the sport we would be happy to have any new shooters come by and check things out. For more information on the great sport of Bullseye Pistol check out www.bullseyepistol.com

Manchester, NH 03109**

Wilson Hill Pistol Club
1732 Lakeshore Road
Manchester, N.H. 03109
<http://www.wilsonhillpistol.org>

Discretely tucked away in one of Manchester's quiet residential neighborhoods is one of New Hampshire's best-kept shooting secrets: **The Wilson Hill Pistol Club.**

Although many area shooters may never have heard of it, Wilson Hill lays claim to being the oldest hand gun-only club in the state. Back in 1935, a group of individuals gathered to form the **Wilson Hill Pistol Club** or **WHPC**

After having a couple of different homes around Manchester, the club settled in its present location in 1948. Today, the club is still going strong. Offering central New Hampshire shooters an all-weather, six position, 50' indoor range. The building also features a classroom and meeting area.

Above all, is a club by and for shooters. It's a great place to practice your craft, learn more about marksmanship, firearm safety and enjoy the fellowship of other knowledgeable Shooters.

The club's Monthly Meeting
is held the 1st Wednesday
of every month @ 7 p.m.
Come Join us!

Directions to Wilson Hill Pistol Club

From Route 93 take exit # 6 (Hanover St./ Candia Rd.) Head West on Candia Rd for about 1 1/2 miles. Take the right after Goldenrod Restaurant onto Lakeshore Rd. Go about a half mile to 1732 Lakeshore Rd.
The club is a brown building on the right.

WHPC Training Classes Offered

NRA Basic Pistol - This is a beginner class. It is good for a student with little or no experience with handguns or for someone who did some shooting as a child and wants to get back into it. All students use 22 caliber pistols. We provide everything required for the class, but if you have your own .22 pistol you may bring it. If you have not yet selected a pistol, we recommend that you wait until after the class to purchase one since pistol selection is covered in the class.

NRA Basic Personal Protection in the Home

To take this course you should have completed the NRA Basic Pistol class or have equivalent experience. If you have a firearm for personal protection you should bring it to class. If you do not have such a pistol let us know in advance. We have a limited number available for student use.

NRA Basics of Personal Protection Outside the Home

To take this class you must have completed the NRA Basic Personal Protection in the Home class. To take this class you must have a pistol, either a revolver or a semi-automatic with a strong side hip holster or a concealed carry purse. If you do not have this equipment let us know in advance. We have a limited number available for student use.
